FROM: Bruce T. Johnson
Director of Data Processing

SUBJECT: [REDACTED] - Request for
Change of Career Service

STATINTL

I greatly appreciate your scrupulous attention to our inter-office agreement covering the proselytizing of ODP personnel on rotational assignment in OD&E. In the present case, I am persuaded that it is in the best interests of [REDACTED] to make this move, and I have concurred in the attached request for a change in Career Service from "MZ" to "R".

SUBJECT: Attached Request to Change
Career Field

REMARKS:

Because of our understanding that we will not proselyte ODP careerists while they are on rotational assignment to OD&E, I cannot concur in  "Request to Change Career Field", which is attached.

STATINTL

I note that the DD for Applications/ODP has already concurred. If ODP has no objections to  request to change from "MZ" career field to the "R" career service, OD&E will accept  in the "R" career service.
